HOBBIES

- Reading
- Cricket
- Music

WORK EXPERIENCE

WEB DEVELOPMENT PROJECTS

During my training at **Sayalani Mass IT Training**, I developed responsive websites using **HTML, CSS, and JavaScript**, ensuring they were functional and user-friendly. I also designed professional graphics, social media content, and banners using **Canva** and **Adobe Illustrator**. Additionally, I prepared reports, presentations, and organized data using **MS Office**, improving my technical and organizational skills.

TEAM COLLABORATION & PROJECT WORK

As part of my training, I actively participated in **team-based projects**, collaborating with peers to complete assignments within deadlines. This included planning project timelines, dividing tasks according to team members' strengths, coordinating workflow, and reviewing outputs for quality. I also helped mentor new trainees on basic web development tasks, which enhanced my leadership skills. Through this, I developed strong **communication, teamwork, and leadership skills**, learning how to resolve conflicts, support team members, and achieve project goals collectively. These experiences simulated real-world IT environments, preparing me to contribute effectively to professional teams and workplace challenges.

EDUCATION

SAYALANI MASS IT TRAINING
